Brought to you by:

# Let us introduce you to the future.

**CAREERexpo**, Alberta's premier student-focused information event returns to Central Alberta this year. CAREERexpo is not a job fair, it is an investment in our future. CAREERexpo will attract a large representation of high school students from the region – the future skilled workers that will move your business forward.

As an exhibitor, use your time to encourage and educate local youth in current and future career opportunities in your industry. They are ready to start designing their future – a future that may begin at your door!

**When you join us as an exhibitor, you are speaking directly to your potential talent pool.**

## Exhibiting is easy. Really.

Go to [www.careersnextgen.ca/expo-central](http://www.careersnextgen.ca/expo-central) to complete the online form and payment details. We will then send out your exhibitor information package containing all you will need for a successful event.

All exhibitors will receive:

- ★ 10' x 10' booth space, electrical outlet, table and two chairs (note: larger booth spaces are available at no additional cost)
- ★ Free trade show listing on CAREERS: The Next Generation - CAREERexpo Central Alberta website
- ★ Exhibitor lounge access
- ★ Two complimentary exhibitor lunch passes (additional passes can be purchased in advance for \$20 per person)

## Maximize your impact

**Think INTERACTIVE!** This generation has been brought up with information at their fingertips. What they haven't been able to experience is getting up close with the equipment and tools of your trade to help them better understand the nuances of your industry. **Exhibitor creativity is directly related to the student interest you will enjoy at each show.**

Over  
**4,000 students**  
attended the previous  
CAREERexpo  
Central Alberta!

**\$250**  
**Display Booth**  
includes table, two  
chairs, electrical, access to Exhibitor  
Lounge and two lunch passes.  
Additional lunch passes are available for  
\$20 each.
