NEW ONLINE REGISTRATION!
www.careersnextgen.ca/expo-central

school REGISTRATION

Brought to you by:

and the community

Career exploration even a teenager could love.

CAREERexpo is central Alberta's largest student-focused career event, representing over 50 career paths in 2018.

Students will have the opportunity to talk face-to-face with industry leaders representing hundreds of careers and post-secondary options in a fun, interactive environment.

Best of all, **there's absolutely no charge to attend CAREERexpo**. All you need to do is submit a registration form to CAREERS: The Next Generation. Once we receive your form we'll send you all the information you need for a successful expo.

No boredom allowed.

At CAREERexpo, interactive displays ensure kids have plenty to see and do, encouraging them to engage with career exploration.

Some examples of past interactive displays include simulators and hands-on activities (eg. welding, using a tool, hairstyling).

We did our homework.

Field trips are easier when you have what you need. That's why we've put together a comprehensive expo kit to help you plan your trip to CAREERexpo.

All registered groups will receive:

- ★ Confirmed bus times and bus parking map
- ★ Map of CAREERexpo
- ★ Pre-Event Passport activity for students
- ★ Posters to hang in your school

when

Thursday,
May 2, 2019
9:00 am - 3:00 pm

where

Red Deer College
100 College Boulevard
