Industry Association Partnership

A spotlight on trades and technologies

Brought to you by:

Exclusive Industry Association opportunity. Students, parents, teachers visit showcases to learn from the experts – you!

Help students discover career paths, learn about the benefits and lifestyle advantages unique to your trade or industry.

Industry Association partners can tailor their space for a unique one-to-one student/parent/teacher exchange – providing information, demonstrations, games or contests while making connections that could change the course of a young person's career.
