SPONSORSHIP OPPORTUNITIES

Now is your chance to be a part of CAREERS biggest annual fundraiser...

THE ERIC NEWELL 'KIDZ IN CAREERS' GOLF CLASSIC

July 3, 2025 - Heritage Pointe Golf Club, Calgary AB

We know you understand the power of work integrated learning and the value internships provide in preparing Alberta youth for the skilled workforce. At CAREERS, our mission is to 'Enable youth on their path to a rewarding career.' We do this by partnering with industry, education partners, government, and communities to raise career awareness, connect youth to internships and create opportunities for our youth.

In 2024, CAREERS connected Alberta youth to over 4,500 paid work integrated learning internships, in trades, agriculture, information and communications technology, health and other career pathways in-demand.

Your sponsorship can help us extend these invaluable opportunities to more young individuals, shaping the workforce of tomorrow. We're delighted to invite you to our fundraiser and become a sponsor today. Your support will directly result in transforming youths' lives by providing them with paid internships.

JOIN ALBERTA BUSINESS LEADERS IN A DAY OF NETWORKING AND GOLF IN SUPPORT OF A GREAT CAUSE.

The event is expected to attract 216 golfers over 27 holes, including a breakfast and BBQ lunch.

This event is named in honour of Eric Newell, the Founding Chair of CAREERS: The Next Generation, former Syncrude Canada CEO and champion of education for youth.

SPONSOR TODAY!

Your support will enable Alberta young people to:

- Explore a career in demand now and in the future
- Connect learning to earning - making school more relevant
- Be empowered with knowledge and skills on their way to a rewarding career

JORDAN MASER

SKILLED TRADES INTERN | MEDICINE HAT

Jordan was introduced to carpentry in middle school. He decided early on it was a career path he'd like to pursue, and the Registered Apprenticeship Program provided the perfect vehicle to get his dream job even sooner.

"Being placed in an internship has given me a chance to get a look at what all the trades do. Even though I'm focusing on carpentry, I get to get an insight into what everyone else is doing."

Thanks to his apprenticeship, Jordan has a concrete idea of what his future looks like. In addition to the technical and hands-on skills he's acquired, he's also become a better communicator and reaped the benefits of seeing a job through from start to finish.

"Being able to proudly point at something cool and say you were part of it, that's definitely one of the highlights of my apprenticeship. There's nothing to lose in doing something like this. The skills I've gained will be something I will always have."

MIA THOMSON

SKILLED TRADES INTERN | LETHBRIDGE

"I was really looking for something in the automotive and engineering side of things since that is where I am most comfortable. I am really happy with where I was placed. I'm really honoured to be part of the women in the workforce. That is one of the things that I have noticed is that they'll have my back the same as I have theirs."
