We are excited to announce that we have a fresh face joining our team!

We'd like to extend a warm welcome to [Insert Name]! They're stepping into our [Job Title] internship/apprenticeship role this [Insert Month or Season].

At [Company Name], we believe in developing the future workforce, and that's exactly what we're doing by teaming up with @careersnextgen. Together, we're offering young Albertans the opportunity to explore their interests and develop new skills.

To other employers eager to make a difference, why not explore taking on an intern yourself? Let's build a brighter future together!
