

INFORMATION & COMMUNICATIONS TECHNOLOGY INTERNSHIP PROGRAM

CAREERS
take on the future

CAREERS promotes local employers to inspire our emerging tech talent. Working with Alberta's 450+ schools, we connect students to industry for paid internships and work-integrated learning.

Aligned to values-driven business objectives, Alberta employers have first opportunity to be influencers in Alberta education and shape the career paths of youth through custom-built internships.

Companies increase their fit-for-purpose skill development and talent retention for industry needs and to #takeonthefuture!

SKILL DEVELOPMENT AREAS:

- Business & Marketing
- Data & Security
- Digital Design
- Infrastructure
- Information Systems
- Software Development

POPULAR TASK ASSIGNMENTS:

- Document management, research, scribing, social media posts, client correspondence.
- Project data entry, editing documents, creating computerized presentation content.
- Use testing methodologies to test products or debug code and troubleshoot problems.
- Install, test, label, and maintain various types of software applications and hardware devices.
- And more... roles evolve and are flexible!

WHY ALBERTA EMPLOYERS PARTICIPATE:

- Access young talent with a growth mindset.
- Boost employer brand and social media outreach with high schools across Alberta.
- Easy to implement internship program, with free services and resources.
- Mentorship opportunities while learning what attracts the next generation of talent.
- Increase talent retention as students continue working towards post-secondary learning.

✓ **91%** of employers will hire more interns*

✓ **82%** of students continue studies*

* ADVANIS SURVEY

- Promote diversity, equity, and inclusion into organizational culture.

"The CAREERS ICT Program opened my eyes to opportunities and amazing employers I didn't know would be a fit for me. I see a new future and I feel more confident in my skills." (ICT INTERN)
