SPONSORSHIP OPPORTUNITIES

Join us for CAREERS biggest annual fundraiser...

THE ERIC NEWELL 'KIDZ IN CAREERS' GOLF CLASSIC

July 2, 2026 - Heritage Pointe Golf Club, Calgary AB

... where community leaders and supporters come together for a day of golf and giving back to Alberta youth!

At CAREERS, we believe in the power of experience. Work-integrated learning internships aren't just opportunities, they're stepping stones that prepare Alberta youth for the skilled workforce our economy needs. Our mission is simple: Enable youth on their path to a rewarding career.

We achieve this by collaborating with industry leaders, educators, government, and communities. Together, we raise career awareness, connect youth to internships, and open doors that might otherwise remain closed.

The results speak for themselves. In 2025, more than 5,600 Alberta youth gained paid internships through CAREERS in fields like trades, agriculture, ICT, health, and other occupations in demand. Each placement represents a young person gaining confidence, skills, and a future.

This is where you come in. By sponsoring, you help extend these opportunities to even more youth. Your support doesn't just fund programs, it transforms lives, builds the workforce of tomorrow, and strengthens Alberta's future.

Your support will enable Alberta young people to:

- Explore a career in demand now and in the future
- Connect learning to earning - making school more relevant
- Be empowered with knowledge and skills on their way to a rewarding career

The tournament is expected to attract 216 golfers over 27 holes, including a breakfast and BBQ lunch.

SPONSOR TODAY!

This event is named in honour of Eric Newell, the Founding Chair of CAREERS: The Next Generation, former Syncrude Canada CEO and champion of education for youth.

Presenting Sponsorship

HANNAH LAMIRANDE

SKILLED TRADES INTERN | STRATHMORE

Seeing friends work on their vehicles and participate in derbies sparked her curiosity. Within a few days of completing her application, CAREERS was able to find her a placement within her own community, giving her hands on experience and fast tracking her training towards a career she's passionate about.

"I'm learning a lot of things that I never thought I would learn so early on," she shares. "And it's very exciting and different."

Hannah hopes to one day own her own shop. "Why not take the extra little jump, even if it's scary?" she says. "I'm excited to see where my future will take me."
