WHAT WE DO

CAREERS CONNECTS CAREERS works with Alberta schools to connect youth to employers for paid internships in a variety of in-demand industries.

These include:

AGRICULTURE

FORESTRY

SKILLED TRADES

INFORMATION & COMMUNICATIONS
TECHNOLOGY (ICT)

HEALTH

ENERGY/OIL & GAS

AEROSPACE & AVIATION

CAREERS also offers opportunities for under-represented groups:

YOUNG WOMEN IN TRADES & TECHNOLOGIES

CAREERS empowers young women to explore nontraditional occupations through hands-on learning and inspiring female mentors.

INDIGENOUS YOUTH INTERNSHIP PROGRAM

The Indigenous Youth Internship Program expands career awareness and opportunities for Indigenous youth.

SAFE GEN

In 2023, SafeGen became part of CAREERS, reflecting our shared commitment to helping youth build safe, fulfilling careers. This integration expands our ability to offer work-integrated learning and safety accreditation — including HCS3000, HCS3010, and AGR3000 — streamlining career exploration for educators and youth.

HOW YOU BENEFIT

YOUTH High school students and recently graduated youth can try out some of Alberta's most in-demand careers while making money. An internship is similar to a part-time or full-time job, however, CAREERS will connect you with an employer and will be there to help you every step of the way. Whether you find your passion, or discover it's not for you, it's an excellent way to start exploring your future today!

- Make money
- Earn high school credits and in some cases, hours towards industry certification
- Learn skills for in-demand careers

EMPLOYERS Showcase your industry and attract potential future employees by mentoring motivated youth. CAREERS does the work, bringing you students that best suit your needs. Youth are safety trained and covered by WCB through Alberta Education. With funding options available, what have you got to lose?

- Attract and retain local talent
- Train your workforce from the ground up
- Harness the energy and passion youth bring to the workplace

EDUCATORS CAREERS works with industry to stay updated on Alberta's most in-demand occupations and future trends. We are well positioned to support you in preparing your students for the workforce.

Free, tailor-made classroom presentations.

- Connection to employers for work integrated learning opportunities.
- Free high school accredited safety courses through SafeGen.

SUPPORT CAREERS

As a non-profit organization that offers free services, CAREERS relies on the generosity of our industry partners. Together, we can TAKE ON THE FUTURE!

"I'm a school principal. I don't have the skillset to get a student placed with an employer. So if you have an organization that's going to help you and support you to do those things, then it just makes sense to work with them"

TOM HENDERSON
Many Horses High School | Calgary

OUR MISSION

Enable youth on their path to rewarding careers.

CAREERS is a unique, industry-led public/private not-for-profit foundation. We bring together industry, schools, government, and communities to guide youth into successful career paths.

Together, we are motivating students by making the workplace an extension of the classroom and preparing students for a future where they are in demand!

"Getting that first chance, it really struck my heart. My employer told me to call him anytime if I needed help, even after I left for school. That kind of support makes a huge difference. I hope more companies step up and give Indigenous youth the same opportunity I had."
